Patient Signature

Please inform us of any changes as soon as possible in order for us to update your records so that we are able to contact you regarding appointments or health reminders.

Would you like to join our Patient Reference Group?

Our patient reference group formed in 2011 and helps us to gain the views of our patients about the care and services we provide. The PRG is made up of tow sub groups:

- Virtual Reference Group (by email) – member ship of this group involves the completed of periodic questionnaires about the practice, providing us with valuable patient feedback. There is no need to attend meetings or to offer commitment, just complete and return the questionnaires. We will also email your information and updates about the practice; copies of newsletters and the notes form any Core Group meetings.
YES/NO
- **Core Reference Group** – Membership of this group involves attending meetings whenever possible and activities associated with the group. The key activities of a patient reference group are usually; strategic advice, health promotion, information provision, volunteer services.
YES/NO
